

COLLECTORS SUPPORTS

For C & H serie

Syrius collectors supports and solar water heater are made of Magnelis® steel sheet with a 20 years warranty from Arcelor Mittal. Magnelis® is a coating alloy that contains magnesium.

Magnesium allows a light oxidation on the surface, which protects the steel from bad weather and extreme conditions in tropical areas.

All screws are delivered in A4 stainless steel.

Description

All our supports are delivered with :

- A4 stainless steel screws
- Cross sleeve for the automatic venting probe and its valve
- Olive fittings, corks
- Expansion lyres (for structures with more than 6 collectors)

Collectors guarantee 10 years
Supports guarantee 10 years
